About Me

Final-year engineering student aspiring to become a professional mobile app developer, with strong interest in mobile application development. Curious, eager to learn, and ready to take on challenges while contributing meaningful value to the company.

Technical Skills

Programming Languages

- HTML, CSS, JavaScript, PHP, Dart, Java

Frameworks

- Vue.js, Flutter, Laravel, NestJs

Tools & Platforms

- Firebase, Git & GitHub, Postman, Figma, Docker, MySQL, DBaver, ClickUp

Contributed Projects

BrewMate Coffee App

- Built a mobile app following HCI principles
- Translate UI/UX design into a functional Flutter app and apply state management

Sport venue booking system

- Developed a web application using Vue.js for the frontend and NestJS for the backend.
- Built features for booking sport venues, purchasing sports items, and managing user authentication.

Education

Work Experience

Flutter Developer Internship

KaseGro Co.,Ltd

July 2025 - October 2025

- Designed and implemented a pre-order feature that enhances communication and transaction flow between farmers and vendors.
- Optimized the mobile UI/UX for better clarity, usability, and overall user experience.
- Integrated the mobile app with a Laravel backend API, ensuring seamless data synchronization and efficient order processing.

Sister of Code Club

IT Step Academy & Remote

July 2025 - November 2025

- Mentored young girls passionate about technology, helping them build confidence and explore STEM skills.
- Assisted students in understanding basic programming concepts through hands-on activities.
- Supported the program's mission to empower female youth in tech and promote digital literacy.

Volunteer Experience

IT Team (Website developer)

TEDxPhnom Penh

June 2025 - October 2025

- Served as a core member of the IT team for the TEDxPhnomPenh 2025 event.
- Led the development of the official event website using WordPress and Hostinger as hosting service
- Created and updated event-related content as needed, ensuring accurate information and consistent design.
